MERRY CHRISTMAS AND HAPPY NEW YEAR:

Your WCC Staff wishes you and your family a very Merry CHRISTmas and a Happy New Year. Thank you for your support of WCC during the past year. We appreciate your love, prayers, monetary gifts and your gifts of service to help make WCC a place where people are able to connect with God and minister to the needs of the world. May you be blessed as you have blessed so many.

As Max Lucado stated so well about Christmas:

“Christmas begins what Easter celebrates. The child in the cradle became the King on the cross”

PEOPLE AND DECORATIONS MAKE WCC A SPECIAL PLACE DURING THE CHRISTMAS SEASON:

AS I WRITE MY LAST WCC E-NEWSLETTER...

Today, I write my last WCC E-Newsletter as the Director of WCC, but I will continue to read every future issue that is published, because I want to stay current with what God is doing at WCC.

Today, I write my monthly check to WCC, but I will continue to do this as well in the future. I have done this since the day we began fundraising for WCC, even during the time when God sent me to Arizona for a few years of ministry. I do this not because I want to get a tax credit or because I want to see new buildings and amenities added to the campus of WCC, but because those buildings and amenities make it possible to reach people for the cause of Christ.

Today, I pray for WCC and I will continue to do that even after I “retire and retread” for new ministries. I will do this because I know that no matter what we do or say, it is only by the power of God that life transformation occurs and I want to be involved in what God is doing at WCC. My gifts and prayers may be small compared to others, but that is not the point of emphasis. The main thing is what **God** is doing at WCC...not what I am doing.

What a joy it has been to watch WCC develop its facilities over the past few decades, but the greater joy has been to see people being saved, disciplined and trained for God’s ministry across Nebraska, Kansas and the world, as churches have been strengthened and communities have been changed because of what God has done in the lives of thousands of people while they were at WCC, and what He continues to do in their lives when they get home.

Thank You for the privilege of being able to serve as the Director/Administrator of Webster Conference Center since its beginning when KNCSB received it in 1981. It has been my privilege to serve, and now I look forward to seeing what Mari Parker, the new WCC Director, the WCC Board of Directors and the WCC Staff will continue to do to make WCC the place where God transforms lives, churches and communities in the days ahead. Shalom!

THE FINAL BID HAS BEEN RECEIVED FOR MULBERRY CREEK:

WCC has now received three bids for this project. The final bid was below the first two bids by approximately \$50,000. Due to the Christmas holiday season, the next step in the process of improving Mulberry Creek will not begin until after the first of the year. Please be in prayer for Mari Parker, WCC Director, and the WCC Board of Directors as they determine how to proceed with this project. Please pray that everything will come together at the right time to complete this project which has been in the planning process for several years. Thank you!

IS WCC PART OF YOUR 2018 CHURCH BUDGET?

It is amazing what can happen when just a few churches give \$25 per month or more to assist the ministry of your conference center. Does your church attend the Man Up Conference, Youth Worship Arts Camp, Eagle Retreat, VBS Jumpstart, GLOW Retreat, an associational children’s camp, Super Summer, renew, SHINE, or send students to the Collegiate Fall Conference? If so, your church benefits directly from the ministries of WCC. Even if your church doesn’t participate, this is still part of our cooperative ministry where you can help other churches be able to attend by keeping the cost down for those who do use the facility while improving it to make it a better place for everyone. Please consider putting WCC in your church budget in 2018. Twenty-five dollars (\$25) per month or more multiplied by twelve (12) months, multiplied by the number of churches doing this, makes a huge difference in what WCC can do to assist KNCSB ministries at home and around the world. Thanks for including WCC in your 2018 church budget. Your gift can help change a life for eternity!
