

Volume 14, Number 1, February 2018

What a **great start to the new year** at Webster Conference Center! From a business perspective, revenue is up over last year at this time and we are thrilled! But the really great part is that more people have been on the Webster campus, a campus where people encounter Jesus for the first time, or for much needed respite. We want people to experience Jesus when working and interacting with our Webster staff. And, who doesn't have an "amen" on their lips as they eat our delicious food made fresh at **Oak Hollow** (formerly the Dining Hall)! I'm telling you, we are excited with 2018!

With each staff meeting, Webster employees are being challenged to think creatively on new ways to expand the Webster touch in our community and beyond. We truly believe God gave us this campus to be used to make Him known.

The **Mulberry Creek** project has been downsized to getting the grade right so when the heavy spring rains come and the water backs up behind the Staff House, it will drain down without pooling and getting stagnant. We intend to make a huge dent in the mosquito population! After accessing the possibilities of how the creek could be used, we now understand that outside of the spring rains, Mulberry Creek is dry. So we are focusing on the proper grade and will move on to another project.

And speaking of the **Staff House**, we have some repairs and upgrades to do, from replacing damaged subfloor in the laundry space to removing damaged vinyl flooring in the kitchen area and replacing it with new hardwood. We also will be adding a much needed closet to a bedroom.

It's been years since the **Dorm** was upgraded, so that's on the schedule for 2018 as well. Upgrades will include new windows, replace damaged siding, new sinks in the bathrooms, plus an addition that will provide a covered patio area and a large meeting room/lounge, with a lodge feel, including beautiful views out to the lakes.

Today launches **Give Your Age on Your Birthday** with me writing a check for \$61 dollars to Webster Conference Center to be **used for making improvements** like those mentioned above. Happy Birthday, Mari!!! Will you join me in giving yourself a birthday gift with a purpose? Whether you are turning 10 or 100, giving your age will make a huge impact on keeping Webster a place, nestled in the trees just north of Salina, KS, where people meet Christ. (We are working on setting up an online giving option, we just aren't there yet.)

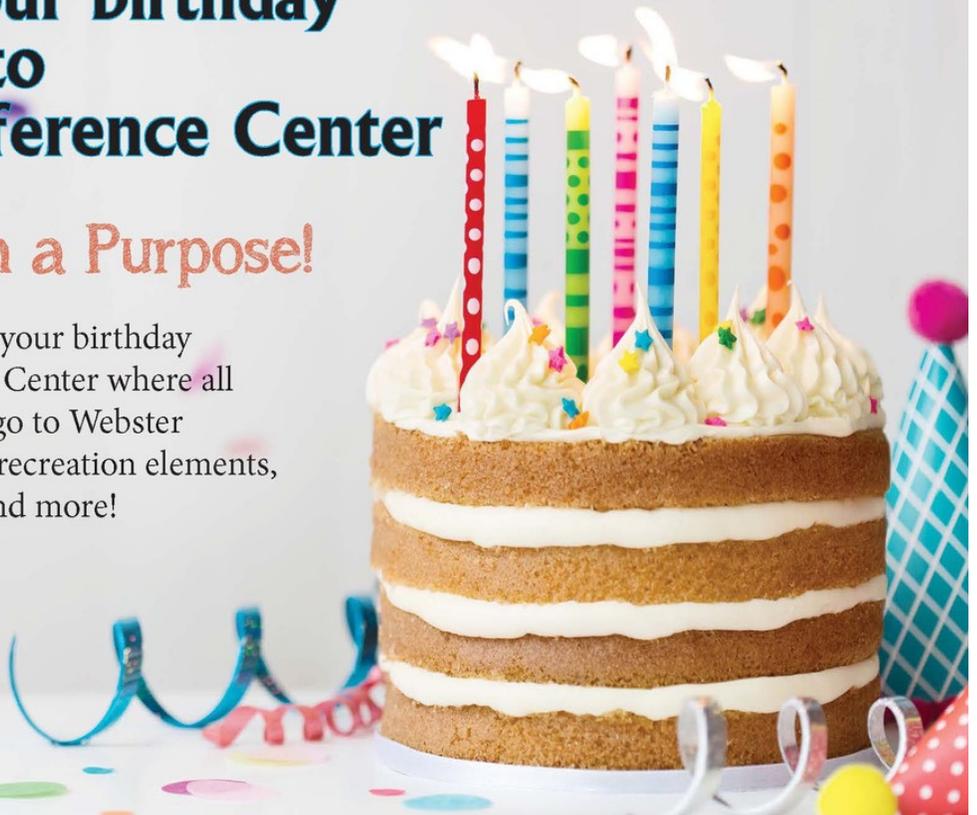

Donate your birthday to Webster Conference Center

Celebrate with a Purpose!

Donate your age on your birthday to Webster Conference Center where all donation amounts go to Webster improvements: buildings, recreation elements, landscaping, and more!

We encourage all ages to participate in helping make Webster a better place. Send checks to WCC, Administration Office, 5410 SW 7th, Topeka, KS 66606

Henry David Thoreau said: *Most men lead lives of quiet desperation and go to the grave with the song still in them.* What if your song is entitled **Giving**?

Give generously to Webster!

Send donations to WCC, Administrative Office, 5410 SW 7th St, Topeka KS 66606

We are populating our Facebook page several times a week with more info on what's happening at Webster, so Like us!

And if you're on Instagram, so are we! [websterccsalina](#)
